Governance & Organisation

Board of Directors

The responsibilities of the Board of Directors in general, and acting in its management and supervisory function respectively, are described in the Bank's Internal Governance Policy, which includes the Terms of Reference of the Board of Directors. The key responsibilities of the Board of Directors consist of setting, approving and overseeing the implementation of the overall business strategy and key policies of the Bank, its overall risk strategy and internal governance and internal control framework.

Information on the members of the Board of Directors may be found by clicking [here](#).

The Board has established an Audit Committee and a Risk Committee. The Board of Directors itself fulfils the duties and role of the remuneration committee and the nomination committee without having established such committees.

The objective of the Audit Committee is to advise the Board on the Bank's internal control, internal audit and risk management systems and the Bank's accounting policies and external audit. The Risk Committee's objective is to advise the Board of Directors on risk appetite and risk management within the Bank and overseeing the implementation of the Bank's risk management framework. The functions of the respective Committees are set out in their Terms of Reference.

Senior Management and Management Committees

The Board of Directors has delegated certain management functions to Senior Management, namely the Managing Director and the Chief Technology Officer.

The Bank has created a Management Committee ('MANCO') in Malta, which is composed of the senior Heads or Managers of all departments. Its objective is to support and assist Senior Management in the performance of its management tasks, in particular by ensuring effective continuity, communication, coordination and cooperation between Senior Management and the departments, unit and functions within the Bank and between the various departments, units and functions themselves. The MANCO is chaired by and reports to the Managing Director.

The Regulatory Steering Committee is also a management committee, created to assist the Managing Director in managing and coordinating projects and initiatives to ensure compliance with regulatory and supervisory requirements and expectations across various departments and functions, managing and coordinating the Bank's internal resolution planning and resolvability work programme, and facilitating the supervisory review and evaluation process (SREP) and resolution planning process conducted by the MFSA.

Organisational Structure - 'three lines of defence'

The Bank follows the three lines of defence model for risk management and is organised so that the departments responsible for the business lines are separate from those responsible for support functions and internal control functions respectively.

The first line of defense, the business departments, is designed to distinguish between the Bank's core business lines. Each department is headed by a separate Head or Manager of Department who holds overall responsibility for that department. Apart from the business departments, the Bank's first line of defense provides for a number of support functions including the Account Management Department, Finance Department, IT Department, HR Department, Legal Department, Operations Department and Premises & Logistics Department., The Bank's second line of defense are the internal control functions including the Risk Management Function, Compliance Department and AML/CFT Department. Internal Audit acts as the third line of defense.

Anti-Money Laundering & Prevention of Financing of Terrorism

The law that regulates anti-money laundering and funding of terrorism in Malta is the Prevention of Money Laundering Act (Chapter 373 of the Laws of Malta), a copy of which may be accessed by clicking [here](#).

SBM, being a subject person in terms of the Prevention of Money Laundering and Funding of Terrorism Regulations (S.L. 373.01), is required to carry out customer due diligence on its clients. The Bank has adequate policies, and procedures in place which are in line with the Financial Intelligence Analysis Unit (FIAU) Implementing Procedures. Please follow the link to access the relative Implementing Procedures by clicking [here](#).

The Bank's Ireland branch is a "designated person" for the purposes of The Criminal Justice (Money Laundering and Terrorist Financing) Act 2010 and most recently Amendment Act of 2021 and has taken the necessary measures to meet its obligations under prevention of money laundering and funding of terrorism legislation and regulation that apply to it in Ireland.

Compensation Schemes

The Depositor Compensation Scheme

The Depositor Compensation Scheme is a rescue fund for depositors of failed banks which are licensed by the Malta Financial Services Authority. The Scheme can only pay compensation if a bank is unable to meet its obligations towards depositors or has otherwise suspended payment. The Scheme is based on the EU Directive 2014/49/EU on deposit guarantee schemes.

More information on the Depositor Compensation Scheme may be obtained from the compensation Scheme website by clicking [here](#). More information may also be obtained by clicking [here](#) and viewing the Depositor Compensation Scheme Information Sheet.

The Investor Compensation Scheme

The Investor Compensation Scheme is a rescue fund for customers of failed investment firms which are licensed by the Malta Financial Services Authority. The Scheme can only pay compensation if a licensed investment firm is unable or likely to be unable to pay claims against it. In general this is when the licensed firm stops trading or becomes insolvent. The Scheme is based on the EU Directive 97/9 on investor compensation schemes.
